DECLARATION

Hon. Commissioner of Patents  
and Trademarks  
Washington, D.C. 20231

Sir:

We, Robert G. Ulrich, Mark A. Olson, and Sina Bavari  
hereby declare and say that:

1. We have read and understood Application Serial No.  
08/882,431, including the claims;

2. We are the joint inventors of the subject matter  
claimed in Application Serial No. 08/882,431;

3. We, Robert G. Ulrich, Mark A. Olson, and Sina Bavari,  
together with Beverly Dyas, coauthored the paper entitled  
"Engineered Bacterial Superantigen Vaccines", published in  
Vaccines 96, Cold Spring Harbor Laboratory Press.

4. While the contributions of Beverly Dyas to the  
subject matter of the article was such that authorship was

warranted, she did not make an inventive contribution to the subject matter claimed in Application Serial No. 08/882,431. The non-inventor coauthor contributed to the subject matter of the article by carrying out experiments outlined by the inventors;

5. We further declare and say that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and willful false statements may jeopardize the validity of the instant patent specification or any patent issuing thereon.
